The image shows the interior of a restaurant with a vaulted brick ceiling and a black and white checkered floor. Several tables are set with glassware and cutlery. A large, modern chandelier with greenery hangs from the ceiling. The text is overlaid in the center of the image.

Under **VAULTED ARCHES**  
which once guarded the

MERCHANTS lies a  
spectacular space for

## A CHAMBER OF SPIRITED REVELRY IN THE FOUNDATIONS OF THE CITY

---

The vaults beneath The Royal Exchange house a new fortune. Step through the unassuming door on Cornhill and down a spiral staircase where there lies a den of spirited talk and lively tippling; introducing The Libertine.

Under vaulted arches which once guarded the spices, silks and gold that enriched London in years gone by sits an impressive bar worthy of the modern City.

## FOOD & DRINK UNDER HISTORIC ARCHES

---

Formerly famed for the simple pies and smoked fish that would sustain a days trade, The Royal Exchange is now home to two welcoming restaurants. Enjoy wholesome seasonal fare prepared with the finest quality produce from lunch until late.

Choose from snacks for the table, starters, seafood dishes, a selection of dry-aged steaks and grande cuts alongside traditional mains and desserts.
